Public Notice Concerning Kansas / Federal
Water Pollution Control Permits and Applications

State of Kansas
Department of Health and Environment
Division of Environment-Bureau of Water
1000 SW Jackson St., Suite 420
Topeka, Kansas 66612-1367

Telephone: (785) 296-6432 - Ag Permits
(785) 296-5517 - All Others

Public Notice No. KS-AG-10-053/054

Beginning Date: April 29, 2010
Comments Due: May 29, 2010

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 15, 28-18a-1 through 32, 28-16-150 through 154, 28-46-7, and the authority vested with the State by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

All Kansas Department of Health and Environment district office addresses and telephone numbers are listed below.

Public Notice No. KS-AG-10-053/054

Pending Permits for Confined Feeding Facilities

<u>Name And Address of Applicant</u>	<u>Legal Description</u>	<u>Receiving Water</u>
KC Pork, Inc. - Arrowhead West Kent Condray 451 3 rd Road Clifton, KS 66937	W/2 of the NW/4 of Section 08 T05S, R01E Washington County	Lower Republican River Basin

Kansas Permit No.: A-LRWS-S036

This is a new permit for a new facility for 2,400 head (960 animal units) of swine weighing greater than 55 pounds. The proposed swine complex will consist of two new enclosed swine buildings with wastewater collected and stored in concrete pits under the barns and a dead animal concrete compost area.

Ohlde Farms, Inc.
Ronald Ohlde
425 National Road
Palmer, KS 66962

SE/4 of Section 08
T05S, R03E
Washington County

Lower Republican
River Basin

This is a new permit for a facility with a maximum capacity of 850 head (340 animal units) of swine weighing more than 55 pounds and 650 head (650 animal units) of cattle weighing more than 700 pounds. A new concrete solids storage area is proposed between the existing swine building confinement pens and existing concrete solids storage area, and a new earthen wastewater retention structure to control drainage from the swine barn and pens. Drainage from the cattle pens will be controlled by a new sediment basin and earthen wastewater retention structure and fresh water diversion berm.

Persons wishing to comment on or object to the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments or objections considered in the decision making process. Comments or objections should be submitted to the attention of Livestock Waste Management Section for agricultural related draft documents or applications, or to the permit clerk for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas 66612-1367.

All comments regarding the draft documents or application notices received on or before **May 29, 2010**, will be considered in the formulation of final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-10-053/054) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/ application. If response to any draft document / application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents / application and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m., Monday through Friday, excluding holidays.
